Inferno Entertainment has commenced pre-sales on the \$12m English-language video game adaptation *King Of Fighters*.

Gordon Chan (*The Medallion*) will direct the *Matrix*-like sci-fi action title and filming is scheduled to start in Taiwan on September 15.

Taiwan's Double Edge Entertainment, LA-based Convergence Entertainment, US outfit Axis Entertainment and China's Enlight Pictures have assembled the project.

The story revolves around an alliance between the last surviving descendant of a Japanese clan, a martial arts expert and a CIA agent who try to stop an evil warrior from wreaking havoc in a fighting tournament that takes place in an alternative dimension.

Bobby Sheng, Tim Kwok and Joseph Chou are producing.

SNK will launch a new version of its bestselling video game that inspired the film to coincide with the theatrical release.
